### Things to note when ordering:

- A **sizing pack** is available at admissions. Where possible, try garments on before placing an order.
- If ordering a skort, it is **recommended to go up one size** as this is smaller fitting than other garments.
- Tracksuit bottoms are long in the leg so it is recommended to try these on before purchasing. **Some customers prefer to downsize on this garment** with the elasticated waist, ensuring a shorter leg.
